

Carroll Christian Schools

Student Driver Registration

2016-2017

Student's name: _____

Home Phone #: _____ Student's Cell Phone #: _____

Vehicle Make & Model: _____

Vehicle Color: _____

Tag #: _____

Permission to drive to and park a vehicle at CCS is a privilege. Students who speed (15 mph limit), drive recklessly, "hang around" after school, come to school late an inordinate number of times, or violate the rules pertaining to safe and proper driving etiquette consistent with CCS standards will forfeit their privilege to drive or park on campus.

When students arrive before 7:50 a.m., they must come into early stay and not remain in their car.

During the school day, should the student need to return to their car, they must have permission from a teacher. Otherwise, students should be in their scheduled classes. ***Students may not leave the school campus for any reason without signing out at the school office.***

I give my permission for _____ (student's name) to drive the above vehicle to and from school. I understand that they will be required to abide by Maryland State driving laws.

Parent's signature: _____

Parent's printed name: _____

Parent's email address: _____

Student's signature: _____

Date: _____

Those who drive and park a vehicle at CCS without a Student Driver Registration will be penalized. Please return this form to the school office prior to driving to school.
