medical care and treatment. We recognize that, even with proper training and equipment, there is always a risk of serious accidental injury or death inherent in interscholastic athletics and sports.

In consideration of the acceptance of our child by Carroll Christian Schools in its athletic program, we agree to release and hold harmless the leadership of Church of the Open Door and Carroll Christian Schools, its members, the principal, all coaches, and assistant coaches, and any and all other of their agents, servants, and/or employees and agree to indemnify each of them, from any and all claims, costs, suits, actions, judgment, and expenses, arising from our child's participation in interscholastic athletics and sports.

We hereby give our consent and authorize the administration of Carroll Christian Schools and its agents, servants, and/or employees to consent on our behalf and on behalf of our child, to emergency medical care and treatment in the event we are unable to be notified by reasonable attempts of the need for such emergency medical care and treatment.

We understand and agree that we will be responsible for all medical bills and costs that may be incurred as a result of medical care and treatment of our child, and agree to provide proof of insurance coverage of our child against accidents and injuries in school sponsored games, and practice sessions, and during travel to and from athletic contests.

Students who have made a decision to take part in the athletic program will be required to practice and participate in scheduled contests after school and possibly on non-school days. Supervision at practice, games, and travel will be provided by the school.

In addition, it is recognized that all students must comply with eligibility regulations that govern athletics at Carroll Christian Schools as approved by the school administration.

It is the responsibility of the parent or guardian, and not that of school officials, to determine the amount of insurance protection necessary to adequately insure against serious accidental injury. It is also the responsibility of the parent or guardian to make sure that all insurance premiums are timely paid, that there is no lapse of insurance coverage, and that the child is insured from the first day of practice to the last day of post-season competition. Carroll Christian Schools is not an insurer, and, under no circumstances, will Carroll Christian Schools, its members, agents, employees, or insurers be held liable for any injury or death arising out of a child's participation in interscholastic athletics or sports, or as a result of inadequate insurance coverage.
