

CCS Lunch Policies

Lunch Program

Lunches can be provided for the students in two ways:

1. You may choose to send a lunch with your child in a lunch box (with an ice pack if needed). A microwave is available for students in grades 4-12.
2. You may order your child's lunch from your RenWeb account. The lunch menu, along with prices, is updated monthly and can be viewed on your RenWeb account.
3. Lunch orders for the day must be placed by 8:30 a.m. by the parents. Teachers will not accept cash for lunch or place orders for students in RenWeb.
4. Lunch will be on a prepayment basis only. Payment may be made by cash, check, or credit card. Cash and check are submitted to the office. A credit card payment is made through the www.carrollchristian.com website. Once a payment has been made, an account will be set up in RenWeb. Each time your child receives their lunch, your account will be deducted the correct amount for lunch. If a child does not pick up his/her lunch because they had to leave early due to illness or another emergency, a charge will not be processed. Submitting payment for lunches is a separate process from ordering lunches through RenWeb.
5. Parents are able to view the daily purchases on ParentsWeb. Once logged into your account, click on Family Information. When the new drop-down menu appears, click on Family Billing. This will open a new page with the lunch account information. Clicking Details will allow parents to see what has been purchased. Parents should monitor these charges as the school cannot monitor students' individual purchases.
6. With the prepayment system, an automatic email will be generated if your balance is below a certain threshold point. Additional prepayment will need to be made for your student to continue to order lunches.
7. The monthly fundraiser lunches served by the senior class will require a separate payment. These lunch payments do not get pulled from the lunch money sent in for everyday school lunches.

8. Lunches should either be ordered from our school lunch program through RenWeb or be a packed lunch from home. No food from an outside restaurant is to be ordered for delivery. Teachers and students may not take orders from students and bring outside food to the cafeteria for another student. Students may reheat leftovers from a meal at a restaurant.
9. Students will not be allowed to go off campus to get lunch.
10. ***Although the desire is for our students to either pack or purchase their lunch from the school cafeteria.*** Parents may be allowed to come to the cafeteria during lunch and bring lunch for their student or they may be allowed to bring in food to their student to celebrate a birthday, etc. Either of these must come from the parent and must be approved by the Administrator by 10:00 am the morning that the parent is coming in. No later. ***This is an exception to the policy and should be done on limited occasions.***
