Thank You, PTO!

We would like to sincerely thank our PTO for the muffins, juice, and prizes provided this morning as our moms enjoyed the treats and time with their children.

School Safety – Please Sign In

To help us maintain the safest possible environment, it is important that every visitor stop by the Reception Desk in the Elementary building to sign in and get a visitor's badge upon arrival and sign out again when leaving. Also, please understand that our students have been trained NOT to open doors to let visitors into the building *even if* the student knows them, so do not be offended or think they are being rude. It is not that we do not trust our wonderful parents, but we are responsible for every person in the buildings and need to know when you are here for your own safety, as well.
