

## **Friday Roundup 3/2/18**

### **End of the Quarter**

It is hard to believe that Friday marks the end of the 3rd Quarter. Encourage your students to work hard and finish the year well. Report cards will be emailed on March 16.

### **Fine Arts Permission Slips**

If your child is attending our upcoming Fine Arts trips, permission slips are due Monday, March 5.

### **Internships.**

The high school students will be attending Internships next week and will not have regular classes. Just a reminder that they need to remember to complete their Internship journals.

### **Varsity Spring Sports**

Next week the Varsity Girls Soccer team and Varsity Boys Baseball team will begin with optional practices to get things started. If your Internships allow, varsity players are encouraged to attend. Varsity practices will officially begin on March 12. Middle School practices will be announced and will begin on a different date.

### **Re-enrollment**

Just a reminder to please complete your re-enrollment for next year. If you have not registered or you will not be returning, we need to know what you are planning so that we can plan effectively for you.
