

CCS PTO Room Parent Volunteer Form

2018 – 2019 School Year

The purpose of Room Parents at CCS is to serve our teachers. This is done throughout the year by planning class parties, helping to oversee the class auction donation, and assisting with various other class functions, as needed. We will provide you with a survey completed by your teacher, which will help you in your efforts to make the teacher feel appreciated.

If you are interested in being a Room Parent, please complete the information below, and turn the form into the PTO mailbox or email it to ptotreasurer@carrollchristian.com. We appreciate your willingness to serve.

Adopt-a-Staff

We also have many teachers and staff that are not attached to a homeroom and are not assigned a room parent. If you wish to adopt a staff member to show your appreciation to with an occasional note, birthday card, or candy bar, please let us know, and we will be happy to give you the information on one of our treasured staff members.
