Off Campus Permission Form

We at CCS strive to the best of our ability to ensure the safety of each child. From time to time, students in high school have a desire to leave our campus. When a student leaves our campus without permission, the safety of the student is compromised. We do understand that students who stay in Late Stay or stay for tutoring sometimes would like to walk to McDonalds or another place close by for an after school snack. We encourage parents to use caution when determining where and with whom students may leave campus. With this in mind, it is important that a student have parental/guardian permission before leaving the campus after school dismisses at 3:05 p.m.

Because it is very important that we are aware a student is leaving, the student must check in at Late Stay on a daily basis so the staff member in charge may verify that the student has parental/guardian permission to leave campus. The student will be required to return to Late Stay by 4:00 p.m. If a student is consistently late, this privilege will be revoked.

The Late Stay staff member on duty will only give the student permission to go to the places listed below and only if this form is signed and returned. Email permission will not be accepted. Carroll Christian Schools is not responsible if the student goes to another place.

Student Name(s): _____

___ This is a year-long permission slip for any day my child is in Late Stay.

___ This is a one-time only permission slip for my child. A new permission slip will be sent in for each specific day.

My child has permission to go to the following places after school:

I understand that the teacher on duty will send students in groups of two or more to any of these places. These groups may be of mixed gender but will not be only two of the opposite gender.

___ My child has permission to walk to the CCS athletic fields for soccer or baseball games.
