## **GENERAL INFORMATION**

All families **must** enroll in the FACTS system for billing purposes and set up payments from available auto-pay options. The 4 choices in FACTS for Tuition Payment Plans include annual (1 payment in full by August 1st), semi-annual (Aug & Jan), 10-month (August to May) and 12-month (June to May).

Alternative payments made by cash or check must be submitted to the Finance Office at least 5 days before the due date, to prevent FACTS from withdrawing from your financial account.

There will be a \$15 CCS charge for each returned check. If a payment is not received by the FACTS due date for a given month, FACTS will charge a \$30 late fee. Report Cards or transcripts will be withheld and/or services will be discontinued whenever an account becomes delinquent. Attendance for 1 day in a given month constitutes a financial obligation for the entire month.

Parents are expected to responsibly pay on a regular basis. When unusual circumstances cause a payment delay, please call promptly to discuss the situation. Failure to contact the Finance Office to make arrangements may result in the school taking further action.

For students who enroll after the school year begins, tuition will be prorated for the remaining months of the school year and divided into regular payments.

Seniors may participate in various class fundraisers to raise the required amount of money for their Senior Class Trip. Any amount that is not raised will be billed in FACTS for payment prior to the date of the Trip.
