

CCS Clubs

2017-2018 School Year

Dear Parents,

This year we will be offering several after school clubs for our 6-12th grade students. If your student has interest in any of these clubs, please indicate below. When the club is over, if their ride is not at school to pick them up, the student must go to late stay. We understand that it is possible that your student may be playing a sport and yet wish to be part of a club. That is doable and would just need to be communicated to and worked out with the coach ahead of time. For example, a student may wish to take German and play a sport. They may be able to work it out with the coach to go to club and then show up a few minutes late to practice. We hope that these will be beneficial to your student's growth.
